**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. The more competition the lower the prices are for the consumer, like me. I am against any price hikes for the internet or telephone services. We are already being overcharged for our services due to the monopoly by the big companies. Everyone should be able to afford these services.
